

What is the Katie Fritz Scholarship Fund?

The Katie Fritz Scholarship Fund celebrates the life of Katie Fritz, a young parishioner who died suddenly at the age of 15. Katie's family began a scholarship fund to provide financial assistance to families in need so their children could attend St. Martin's Day School. This memorial fund benefits children in our preschool, elementary, and middle school programs.

The St. Martin's Scholarship Fund enables us to welcome into our school all who value a quality education within the Christian tradition. Your support is vital to ensuring the accessibility of a St. Martin's education. During the 2009-2010 school-year this fund helped almost 30 children with tuition assistance. Over \$104,000 was distributed to students in the Preschool, Elementary and Middle School programs. The Golf Tournament is a major contributor to the need based scholarship money distributed each year.

Details for the Golf Outing

*Monday October 18
Queenstown Golf Courses, Queenstown, Maryland*
